

# IIT-JAM Real Test

## FAQs

**Q. Do I need to register separately for each offline test?**

**A.** No. You only need to register once. After registering, admit cards for all upcoming offline tests will be generated automatically.

**Q. What is the price of the IIT JAM Real Test?**

**A.** The IIT JAM Real Test Series is priced at ₹199.

**Q. What are the test date and mode for the IIT JAM Real Test?**

**A.** The test will be conducted on **28 December**, and the mode of the exam will be **offline**.

**Q. When will the admit card for the Offline IIT JAM Real Test be released?**

**A.** The admit card will be released on **24 December**.

The **result** for the offline test will be declared on **31 December 2025**.

**Q. When will I receive my admit card?**

**A.** Admit cards are released **3–4 days before the exam date**. Please check the Real Test Series portal during this period.

**Q. I missed my offline exam. Can I still attempt the test?**

**A.** Yes. If you miss the offline exam, you will still be able to attempt the test **online** once the offline results are published.

**Q. My exam centre is far from my home. What can I do?**

**A.** Exam centres are allotted based on the preferred exam city you selected. All centres are chosen within **5–15 km** from the nearest major bus stand or railway station.

Please note that **specific centre-change requests cannot be accommodated**, as we aim to replicate the experience of the actual NTA examination.
